

# EDDIE'S TEDDY

DR. SCOTT

**START** FREELY

Dr. Scott: 

From the day he was born he was trou-ble... he was the

6 

thorn in his moth-er's side. She tried in

10 

vain, but he nev-er caused her no-thing but pain.

14 

He left home the day she died. EINS! ZWEI! DREI! From the day she was

18 

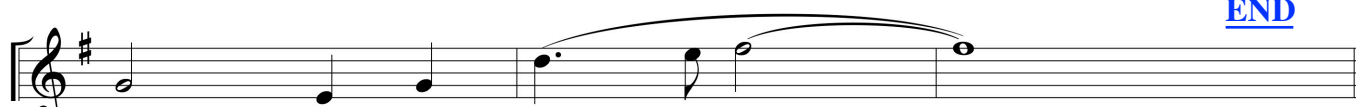

gone all he want-ed was Rock 'n' Roll,

22 

Porn, and a mo-tor bike. Shoot-in' up

26 

junk! He was a low-down, cheap, lit-tle punk. Tak-ing ev-'ry

31 

one for a ride!
